Information for Parents/Carers

We have a Lockdown Policy. In the event of needing to use this, please do not attend the school or contact the school via telephone.

- In event of a Lockdown parents/carers will be notified as soon as it is reasonably practicable to do so.
- Do not contact the school via the telephone – we need to keep the telephone lines clear.
- Do not attend the school – this could interfere with the Emergency Services response actions and may put yourselves or others in danger.
- Wait for the school to contact you with details on when it is safe to collect students and where to collect them from, as students will not be released to parents/carers during a Lockdown
