Dear Parents/Carers

Relationships and Sex Education – year 6

This email is with reference to the new statutory curriculum for Relationships and Sex Education which is to be adhered to from September this year.

Please find attached 3 documents; they are the guidelines for parents of Junior and Senior students and a questionnaire. We are sending both guidelines to current year 6 parents as your children will be transitioning to year 7 in September.

We would be grateful if you would spend a little time to read the guidelines and then answer the **Senior** questionnaire as we would really appreciate your input and questions or suggestions. If we could ask that the questionnaires are returned to us by the 15th May, then we will be able to put the next phase of the process into action.

Once we understand what your questions are we will then arrange an online meeting for us all to discuss ideas and reassure you about any concerns you might have.

Thank you and kind regards,

Ms S Dangerfield and Mrs B Gatfield
