## Message from the Headteacher

Thank you for your ongoing support, patience and understanding during this period. We have worked really hard to try to keep our school community together and to provide our children with access to relevant learning activities.

We continue to try to ensure that all of our children, whether in school or at home, are getting the right support that they need at this time. We have a lot to contend with, but we have a brilliant staff and a fabulous team ethic.

I could not be more grateful and proud of our staff. I have really enjoyed seeing the work and activities happening in school and at home but I very much miss not having the whole school together and I am looking to organise a whole school assembly through the Teams platform so that we celebrate as a community and bring our school family back together again. More details of this will be sent via text and email during this week.

## Reminders

If your child is in school, please ensure they have their own water bottle every day. Sun cream and hat are also required on sunny days. They do not need to bring anything else except their lunch.

## Well Done Year 11

We would like to congratulate our Art and PSE students for persevering with their work during these times.

Even with some obstacles in the way, your resilience and determination has been outstanding and we celebrate the sense of completion with you all.

Miss King, Mr Wilkinson, Mrs Gatfield and Mr Boughton
