

# CURRICULUM PLAN

**SUBJECT****BTEC Level 1 Introductory in Digital Media****OVERVIEW**

The Digital Media Award is designed around practical skills and tasks. Learners have the opportunity to acquire and develop transferable skills which will enable them to progress to further learning in the Digital Media sector. The course offers a taster of the skills required before embarking on college courses and apprenticeships.

**KEY STAGE 4**

The students follow the 'Pearson BTEC Level 1 Introductory in Digital Media' course to gain either an Award (completing 2 units of work) or a certificate (completing 5 units of work). Award students complete one unit from Core Skills - Developing a Personal Progression Plan and choose a further unit from sector skills - Creating a Storyboard, Designing an Interactive Presentation, Producing an Advert, Layout Design for a Digital Product, Creating an Animation, Shooting a Short Film, Making an Audio Recording or Editing and Sharing a Media Product. Certificate students complete 2 core units and 3 sector units.
