6<sup>th</sup> January 2021

Dear Parents/Carers

Following the latest government announcement on Monday evening, we will be opening school for students to attend on a part-time basis from Monday 11<sup>th</sup> January. To ensure the safety and well-being of all staff and students, we cannot provide full-time onsite schooling. We are therefore offering a blended approach of onsite and/or online learning to all students which will cover a full timetable.

**If your child is in school, you will be sent a text message today telling you which days they are in.** Students will not be onsite on Wednesdays as this will be used for deep cleaning.

Live, online lessons will be provided each day and will follow the usual timetable. If students are at home, they must be dressed, signed onto Teams (or Google Meets with Mr Knights) and ready to work from 9am – 3.15pm. Please be mindful of other household members being in the room. Work will be uploaded via Google Classrooms and passwords for both systems have been emailed to you. Exercise books will be provided for those working from home.

Support in school will be given by teaching assistants to enable students to access online lessons being taught by the teacher who will deliver the lesson from home.

If your child is in school, they must be in full uniform. On their usual PE day, please send them to school in their PE kit, they will not be required to change. They will need to bring a coat, plus hat and gloves if necessary, a water bottle, packed lunch (unless they are free school meals) and earphones/headphones if they have them. Students will be taught throughout the day in their year group bubbles and **face masks must be worn by all staff and students at all times.**

Covid testing will be carried out on Mondays and Thursdays. This is self-administered by the student with support and guidance from staff members and involves swabbing either the nose or throat. **Parental consent for the test must be given in order for your child to be at school. If a student subsequently refuses to carry out the test or tests positive, they will be isolated and you will be asked to collect them. Please talk to your child to ensure they are aware of the guidelines.**

If you are entitled to free school meals, a voucher will be sent for the days at home and packed lunches will be provided in school.

**Please complete and return the consent form which accompanies this letter to the office no later than Friday 8<sup>th</sup> January at 1pm. You must return this form in order for your child to come to school.**

All documents are available on the school website <https://www.allsaintslessingham.co.uk/#welcome>

If you have any questions, please let us know.

Kind regards,  
S. Dangerfield
