MESSAGE FROM THE HEADTEACHER

Online learning is not ideal and of course we would rather have all of our students in school full-time. I am so proud of our 'team' and would like to say a huge thank you to students, parents and staff for their support and dedication during this difficult time.

Our staff have worked tirelessly to ensure all students are engaged during lessons, whether they are attending school or at home via online learning. Staff need to switch off out of school hours, so will not be replying to or contacting parents or students from 4pm or at weekends. If you need to contact us after 4pm, please email the office or myself directly.

Ms Dangerfield: head@allsaintslessingham.co.uk

Have a lovely half term and take care of each other.

Congratulations

A huge well done for Rose in year 10 who has just received 2 amazing GCSE results:
9 for English Language
8 for Geography

Career Guidance

Our Careers Advisor Ellen is the process of talking to year 10 and 11 students and will soon be moving on to year 9.

If any year 10 or 11 parents would like to talk to Ellen, please let Miss King know.

It's [National Careers Week](#) 1-6 March and to celebrate we've teamed up with NCW to create a free guide outlining vocational options after GCSE and sixth form. It's a great resource to give parents more information about non-academic routes to careers – and you might find some pages useful too. [Click here to download your free copy.](#)
