7th September 2021

Dear Parents and Carers,

We have now received the final report from OFSTED following our inspection on 23rd -25th June 2021. **The full report will be published on the OFSTED website on Wednesday 15th September 2021.** However, we are allowed to inform parents and carers of the outcome in advance. Your son / daughter will have a copy of the report in their bags this evening, please do take a look.

When you read the report you will see that there are some very lovely statements and we are very proud of the progress we have made in the past two years.

Ofsted cannot give a 'good' leadership and management or overall grading if the quality of education is deemed to be requires improvement. The overall grading of requires improvement is based on only two actions points - strengthening the teaching of early reading and providing staff with regular training to give them up to date knowledge that they need to interpret new planning and teach their subjects effectively. We had already put a number of things in place to address these two areas and I will be updating you on this through the school newsletter.

I am particularly pleased that the inspectors recognised that All Saints is an 'inclusive school that provides a safe, caring and supportive environment for pupils to re-engage in learning and enjoy school life'.

Can I thank you once again for your support during our recent inspection, although we do not get to see your comments, the inspectors wanted us to know the overwhelming support we received from yourselves.

As always if you have any questions or concerns please do contact us at school.

Yours sincerely,

Sam Dangerfield, Headteacher

Judith Gardiner and Rachel Smith, Directors
