MESSAGE FROM THE HEADTEACHER

We have lots planned and lots to look forward to. Before we know it the remaining weeks of the academic year will have flown by and the last day of term (Thursday 14th July 2022) will be upon us.

We have had a FABULOUS start; with so many different learning opportunities happening in and out of school, the children have really enjoyed being able to take their learning outside and we are making the most of the outside space.

Recently we have welcomed a number of visitors to our school, including prospective parents and candidates for teaching assistants and Art teacher positions. All have commented on our friendly and welcoming the school is, how polite and happy and thoughtful towards each other your children are and how calm and purposeful learning is. It's always an honour and a privilege for me to show visitors around; and to showcase all that is good about our school community.

Thank you to all of the staff that help to make the school what it is and to you for continued support.

Annual Parent / Carer Survey

We very much value your feedback and want to make All Saints School an even better school for its' children and families.

When Ofsted came last year, you were incredible in supporting us with your feedback. Next week will be sending out a parent / carer survey, we would very much appreciate it if you could complete this and return it to school to help us work out the priorities for the school for the next academic year.

We will also be asking students and staff their views and using everyone's ideas to make the school the best we can.

Reminders:

As the weather is set to warm up (hopefully), please remember the following:

Water bottles: All students should have one in school which can be refilled throughout the day. Please add their name or initials.

Sun hats: Please name or initial these

Sun cream: Should ideally be applied before school. If your child needs to bring it with them, they must be able to apply it themselves—staff cannot help with this.

Year 11

Dear Year 11,

A huge well done to you all for your individual achievements so far.

From completing your entry level exams and unit awards, Art portfolios, PE practical performances, coursework for child development and ASDAN portfolios. Your continued resilience for classwork, revision and the individual efforts we have all witnessed, over the past few months, has been outstanding, great preparation for you upcoming examinations.

Please do get in touch with me if you are unsure about anything or would like to discuss your child's progress and transition to college.

Kind regards, Miss King.

School Support Manager kking@allsaintslessingham.co.uk

Activity week: 27th June – 1st July

Year 11 are currently organising together activity days as well as arrangements for their leavers meal on Friday 1st July. More information to follow.

Friday 1st July - Year 11 last day: Work Experience – 11th – 15th July (a reminder that this can start a week earlier to support a 2wk placement, where necessary).

GCSE Results Day: Thursday 25th August 2022

Please contact Miss King if you know you're unable to collect your results on this day.

Theatre Trip - years 9, 10 and 11

A group of 40 staff and students went to watch the Curious Incident of the Dog on the Night-time at the Norwich Theatre Royal and it was wonderful!

Students have been learning about it in Drama and loved seeing it come to life in such a dynamic and powerful way.

Thanks to all the staff who supported and to all the parents who did a late pick up.

Wonderful memories made and a lot more understanding of how the world can seem for someone with Autistic Spectrum Condition.

Ms Jones

Deputy Headteacher

Student review by year 9

We travelled there by minibus and school cars and the journey lasted about 45 minutes. When we arrived at the theatre the entrance foyer was very busy with lots of other schools.

We went into the theatre and we were sitting upstairs in the circle - we had the first three rows so we could see very clearly.

The play was about a boy called Christopher who has Asperger's Syndrome and enjoys a mystery. There was a loud bang at the start which made some of us jump and meant that we knew the play had started.

There was lots of music in the play and it was very physical, we could see some of the Frantic Assembly techniques we had learned about in Drama. At the end there was a really cute real life puppy. A favourite moment was the train station, it was really cleverly staged and made us see how it felt for Christopher in such a busy place.

We really enjoyed this opportunity to visit the theatre and will remember it. Thank you to all the staff who made it possible for us to go.

Well done ...

Gemma in year 11 has been doing brilliantly at college recently, learning how to massage and carrying out a professional manicure with polish in a very mature and positive attitude. Mrs Wright and the tutor are extremely proud of her.

Daisy-Mae for an amazing piece of independent maths work.

Many Congratulations to Lucy Wade, who passed her 3A & 3B minibus driving test on 4th May 2022.

We wish her all the best for the future.

2. Now create a shape with the numicon. Measure the perimeter of the shape. Draw the shape on this paper. Show your workings out.

Juniors at the Time and Tide Museum **What an awesome day!**

Maths group A **measuring** **length and** **perimeter**

Juniors were chosen to have **their 100 words saga** **published by Young Writers.** **What an achievement!**
