Dear Parent/Carer

Natalie Outred from the Children and Young people's team at Norfolk Constabulary will be delivering a presentation to Year eights on the subject of internet safety and County Lines (drug trafficking) and knife crime on Thursday 23<sup>rd</sup> June at your child's school. This year group has been chosen to have this delivery in accordance with the volume of calls we have about this subject area affecting this particular age group.

The session will include learning about the associated risks of peer pressure and theft. The sessions will also have accompanied tutor time material for teachers which they will be able to access according to the needs of their pupils.

There is some additional information about the session here
