MESSAGE FROM THE HEADTEACHER

What an amazing few weeks we have had – sports days, activity days, reward trips, year 11 leavers assembly and meal, external visitors supporting our curriculum and the senior school residential.

These days and events are only possible due to the support from Judith Gardiner and Rachel Smith who have agreed to pay for almost all of the activities and the willingness and dedication of the whole staff team, many of whom have given additional unpaid time to ensure we staff everything accordingly.

We organise these events because we want to ensure that your young people have the very best opportunities and experiences whilst they are at All Saints School. Thank you to all of you who have emailed the school to give your thanks and positive feedback, we really do appreciate it and at the end of a busy year it goes a long way to keeping us going through to the very end.

I do hope you enjoy the final newsletter which showcases all of our recent events. My final words for this newsletter are thanks to the staff, thanks to you as parents and carers for all of your support and mostly thanks to our amazing students; together we make All Saints School the very special place that it is.

Fresh Start Reading Programme

As you will all be aware, since February we have been implementing the reading programme 'Fresh Start' across the school.

We are very proud of the progress all pupils have made and would like to encourage our students to continue reading throughout the summer break.

Please visit the website to find some materials you may wish to encourage them to use to support their progress:

Goodbye

Today we say goodbye to Mr Phil Wilkinson and Mrs Liz Woolnough. We thank them for all their hard work and wish them all the very best for the next chapter in their lives.

Change in School Uniform

Following our recent consultation, the shirt, tie and blazer will be voluntary. This means that if your child would prefer to wear the t-shirt and jumper all year round this is absolutely fine but if your child likes the shirt, tie and blazer that is ok as well.

For September we are also changing the colour of the PE top, to 'bright sky blue' however the SCHOOL has provided the first t-shirt for all students as we recognise buying a different top for PE is expensive.

All students currently in school should now have brought their top home.

All Saints School Lessingham Sports day

by Esme

On the 17th of June 2022, All Saints School had an epic sports day. The day was run by Mr Morton (the school's PE teacher.) He said *"it was an amazing day, everyone took part."*

The School is split into 4 houses: Nelson (red), Fry (green), Cavell (yellow) and Sewell (blue). All the children in each house did all the activities, an inclusive relay race and the 100m sprint. The activities were long jump, standing long jump and the obstacle course. In the sweltering heat of 30 degrees plus, the children all cheered, jumped, ran, encouraged and celebrated.

The children weren't the only ones taking part, there were some teachers joining in and encouraging the students to take part.

Miss Senior was in charge of the snack bar which included watermelon, oranges, water, squash, and biscuits, to keep everyone refreshed and hydrated. Miss said, *"everyone enjoyed the fruit and drinks because it gave them lots of energy to finish the races to the best they can."* Mrs Paterson and Mr Hayes were taking the scores at the end of each race and they said, *"everyone was so pleased with themselves when they came to give their scores"*.

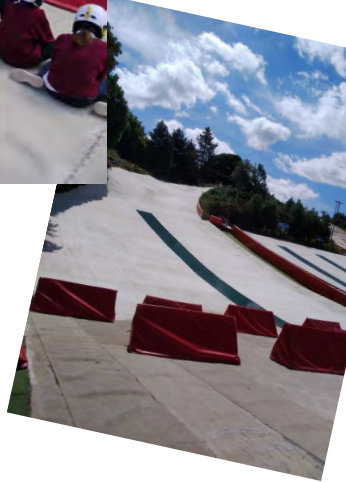

The last race was the inclusive relay where everyone set themselves around the 400 meter track and as a team made their way through the race, it was all very close but then at the end Martin from the green team (Fry) was really fast. He finished the race in 1st place for the team and then blue and then red and finally yellow. *"All Saints School family at its best!"* said Ms Dangerfield - the headteacher. At the end of the day everyone thought it was a fantastic experience and they are looking forward to the big reveal, at the end of term service, to see who won.

Year 11 Activities Week

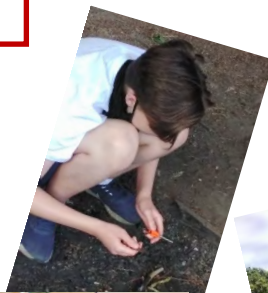

Junior's Tubing

Year 7, 8, 9 and 10 went to Hautbois

Year 7 trip to Hickling Broad

The juniors had a fantastic morning at...

the indoor cricket and athletics festival at Broadland Sports Centre.
