## MESSAGE FROM THE HEADTEACHER

### Thank you to our Student Leadership Team

Leaders set direction and help themselves and others do the right thing to move forward

I want to say a big thank you to all of the students who have volunteered for leadership roles this year, whether that be as head student, senior prefect, school council representative, PE leader, literacy leader or diversity leader.

I know they will be proactive in their roles, wear their badges with pride, support their fellow students and bring lots of ideas on how we can further improve All Saints School.

## Reminders

## Year 9

In preparation for Black History Month, Y9 have been interested to learn about some 'Hidden Figures' who helped with the Space Race. We have learned some impressive new vocabulary including trajectory and segregation!

We all enjoyed seeing a really beautiful rainbow this week and a Year 8 student took a fantastic photograph of it on one of the school tablets.

**Lower Juniors learnt the basics of First Aid**

Logan had a really good morning making pancakes. He made two for himself, one for Mr Sabine and some for his class. Logan followed the recipe online and with some help, made lovely pancakes!

**Beautiful handwriting from Kasper**
