Headteacher: Ms S Dangerfield

Thursday 6th October 2022

Dear Parents,

As a part of our Geography curriculum, we will be taking all year 9 students to Happisburgh to have a look at coastal erosion.

The trip is planned for the 12th October, we will leave school at 1.00pm returning by 3.00pm and will travel by minibus and car. Students will wear school uniform, but please ensure they are wearing comfortable shoes, suitable for walking and bring a rain coat.

If the weather is terrible we will reschedule, but are very much looking forward to doing some practical field work and being Geographers for the afternoon.

We will take enough members of staff to support the different needs of the group and if there is time and the weather is favourable, we will visit the park after our investigations.

If you have any questions, please do get in touch - sjones@allsaintslessingham.co.uk
