Message from Ms Paffett (Deputy Head & SENDCo)

It has been a fantastic week with students and staff taking part in a variety of activities for Wellbeing Week. There will be a special edition of the newsletter next week which will showcase the fabulous moments we have captured throughout the week.

Here at All Saints School, we are committed to the wellbeing of our students and work hard to create an environment that normalises talking about our emotional wellbeing as well as learning strategies to improve and maintain it.

To help us to do this, we have recently started a Wellbeing Focus Group. I am very grateful to the staff, parents, students and advisory board for their involvement in this. As well as looking at policies to ensure they take account of mental health and wellbeing, we also are reviewing what we already do to support wellbeing and what we can do to make this even better. We have a few ideas in the pipeline that we hope to soon share with you all. If this is something you feel you would like to get involved with, please contact me via the school office.

Wellbeing is addressed not only through the curriculum but also in everything we do, from supporting with attendance issues, supporting families who are struggling with the cost of living to using the Zones of Regulation throughout the day in lessons. If you have any concerns about your wellbeing, or that of your child, please do not hesitate to contact the school and ask to speak with one of the Designated Safeguarding Leads. There are also links on our website that signpost to different resources.

Finally, I would like to thank you all for your continued support for the work we do here at All Saints School.

National Online Safety

At National Online Safety, it is our mission to make the internet a safer place for children

Log in details have been sent.

If you have not yet signed up and need support to do so, please let us know.

Communication

Please can we ask all parents and carers to ensure they are reading the communication sent out, be it via letter, email or text messages.

The school website contains a wealth of information relevant to our school community:

<https://www.allsaintslessingham.co.uk/>

Please also follow us on Twitter; you **do not** need a Twitter account to do this:

<https://twitter.com/ASLessingham>

Numbers to contact for help

Ms Dangerfield: 07879 875925

Miss Paffett: 07733 417296

Norfolk children's support line:

Text 07480 635060 or call 0344 800 8029

Reminders

Please ensure students are wearing the correct school uniform every day. **ALL** uniform must be named or initialed.

<https://www.allsaintslessingham.co.uk/parents/uniform/>

Please send your child to school with a coat every day

Cameron looking very proud about being the reigning Year 9 Pass the Pigs champion. This game has been interwoven with our social skills and helps us all to build up our skills set with turn taking, numeracy, team playing and risk taking all being caught up in the fun of the game.

Lily was delighted to find that Rosie Jones has written a book where the main character has cerebral palsy, we got a copy in the library and she has been putting her excellent reading skills to practice reading it at home.

Remembrance Day

Well done Naomh for laying a wreath at the remembrance parade to represent girl guiding.

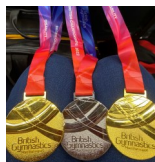

As a school, we raised £53.80

Amazing Grace!

Huge congratulations to year 10 student Grace who recently became British Gymnastics Disability British Champion.

Grace competed with other gymnasts with disabilities and was the overall winner for her age group and disability classification.

We can also now officially announce that Grace has been selected to represent Great Britain in the Special Olympics World Games 2023, being held in Berlin.

Amazing news, we are very proud of you!

Children in Need

Pudsey does table tennis and All Saints Children in Need Olympic Throwback raised an astonishing £224.93.

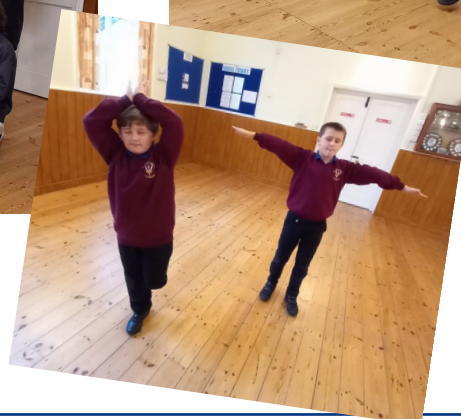

A brilliant effort by all!

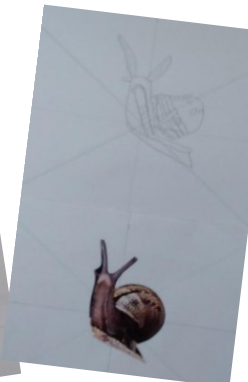

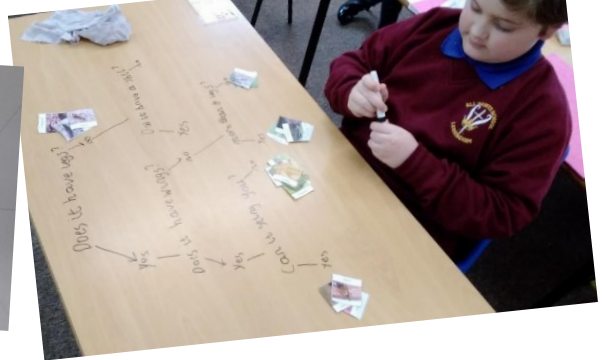

Drama

Junior students have been creating Christmas themed 'still images' to great effect

Lower Juniors

Creating animal branching databases and scientific drawings to classify living organisms.

Junior students had a brilliant sports trip at UEA Sportspark competing in the Panathlon games, everyone had fun, joined in with lots of new games and the team were really proud of finishing 5th out of 10 schools.

We also practiced our social skills posting birthday wishes for Ms Dangerfield

ART

The GCSE Art students had a great time on our trip to a pottery workshop. They explored each step of the process, learning key terminology and skills, which will help them towards their GCSE. We can't wait to see the finished results!
