2nd November 2022

Dear Parents / Carers,

Our topic in Science is Living things and their habitats. One of the learning objectives is ***to ask questions about the local habitats and to carefully observe and record the living things in the local area.***

In order to be able to achieve this, we are planning to go on a trip to Bacton Woods on Wednesday 9th November 2022. The trip will be during school hours, we are planning to leave school at 12 pm and returning after 2pm. There will be no cost to this trip.

Please make sure that your child brings a separate bag with appropriate clothes: a hat (if cold), rain coat, wellies or other shoes that are waterproof and can get dirty and spare trousers. Students should arrive in their school uniform and will get changed before the trip.

They will need to bring a rucksack for their water bottle and packed lunch.

In line with the school policy, mobile phones and other electronic devices are not permitted on trips.

Please let us know if you have any questions or concerns.

Kind regards,

Sylwia Czubaj
