Purpose

The purpose of this policy is to support the school's commitment to learning outside the classroom and ensuring the safety of all children whilst on visits away from the school. By adhering to the procedures and information within the policy the potential risks to children's safety whilst on visits is significantly reduced.

Summary

- The school believes that learning outside the classroom is an important part of school life and enhances the school curriculum. It will endeavour to provide a balanced range of offsite visits for each year group.
- The school follows the Norfolk Guidance for offsite visits.
- All visits will be subject to clear risk assessment procedures, including the setting of staff and volunteer numbers needed for the visit
- For local regular visits a consent form is signed at the beginning of entry to the school. For all other visits the school will obtain an individual consent form. Parents may withdraw their children from any visit but must contact the Headteacher to discuss this.
- A voluntary contribution may be sought for visits that take place during the school day. The school complies with the law for charges for activities outside of the school day. A full policy is available on request from the school office.

Who/what was consulted?

This policy was written by the Headteacher and Educational Visits Coordinator (EVC) based on the model policy from the Local Authority.

Roles and responsibilities

The Directors have given their approval for the school to undertake off site visits and devolve responsibility for the safe organisation of offsite visits to the Headteacher.

All staff must ensure that guidelines are adhered to and the online visits booking system is used effectively. All visits must be approved by the Educational Visits Coordinator who will report to the Headteacher.

Parents/Carers must ensure that they understand and support the expectations of behaviour on school visits.

Arrangements for monitoring and evaluation

The EVC will monitor the activities taking place in school. Any incidents that occur on visits will be reported to the Headteacher and Directors. Evolve is an essential tool for planning and managing educational visits, on-site activities, after school clubs and sports fixtures and can be accessed by members of staff to inform future visits. Evaluation of the impact of learning outside the classroom will be measured through annual surveys and evaluations from staff.

The school has formally adopted, through its Advisory Board, the Norfolk 'Guidance for Offsite Visits' (www.oeapng.info) and as outlined on EVOLVE www.norfolkvisits.org.uk Further procedures have been agreed with the Directors to ensure that this policy is adhered to.

Each year the school will arrange a number of activities that take place off the school site and out of school hours, which support the aims of the school. The range of activities which the Directors have given their approval includes:

- Regular local visits (places of worship, swimming, other local amenities)
- Day visits for particular groups
- School sports teams events
- Residential visits/Overseas visits
- Adventurous Activities.

Approval Procedure

The Directors have delegated the consideration and approval of offsite visits and activities to the Headteacher. The Headteacher has nominated Sylwia Czubaj as the Educational Visits Co-ordinator (EVC) and the Directors have approved this appointment. The EVC has received training by the LA.

The headteacher has nominated the Office Secretary to implement the Office Checklist (appendix 8).

Before a visit is advertised to parents, the Headteacher and EVC will approve the initial plan. The Headteacher/EVC will also approve the completed plan and risk assessments for the visit before departure. This will be undertaken using EVOLVE as the planning and approval system.

www.norfolkvisits.org.uk

The School has agreed a policy for categorising its visits in line with NCC guidance i.e.:

Level 1 - Local regular day visits that have generic risk assessments and standard operating procedures. The school has posted a list of its Level 1 visits (See Appendix I) in the document library of Evolve and will use in-house systems to record and approve such visits. A standard set of operating procedures and general risk assessments exist for these visits.

Level 2 - Day visits (not listed in Appendix I) approved at school level on Evolve by EVC and Headteacher.

Level 3 - Overseas, Residential or Adventurous visits. These visits must be approved via Evolve and the LA's on-line approval gained.

Staffing

The school recognises the key role of accompanying staff in ensuring the highest standards of learning, challenge and safety on a school visit.

Staff are encouraged and supported to develop their abilities in organising and managing visits. There will be a system within the school to allow less experienced members of staff to work alongside more experienced colleagues on visits. The selection of staff for offsite visits will be a key priority in the initial approval of any proposed visit. Staff will be suitably qualified and experienced for proposed activities.

The appointed Visit Leader will be fully supported in the tasks required to arrange the visit. Visit Leaders will be expected to follow the Visit Leaders Checklist This will include, as necessary, making time or finances available to conduct an exploratory visit, briefing teachers and/or other staff,

accessing training courses, reviewing and evaluating the visit or identifying time when the leader and EVC might work in partnership to undertake planning and risk assessments.

Visit staff will not be under the influence of alcohol or other drugs such that their ability to recognise hazards or respond to emergencies is in any way restricted.

DBS Checks

In line with our safeguarding policy, all DBS checks are confirmed with the external provider for their employees, for all timetabled lessons in school. For example, East Coast College Great Yarmouth confirm all checks are completed at the start of each academic year.

For all other 'non timetabled' trips all visits must be approved by the EVC who will report to the Headteacher. Where possible it is recommended, in line with NCC guidance and the EVOLVE approval system, for the venue to hold a 'Learning Outside of the Classroom Quality Badge'.

Risk Assessment

The Visit Leader will seek to identify any significant risks from any activity that is under their control and take appropriate steps to ensure all participants are safe. Good practice precautions and safety measures will be taken and these will be recorded in a risk assessment.

External Activity Providers

Where external contractors are involved in organising all or part of the visit, the contract will be made with the school on behalf of the students. All payments for the visit will be made through the school accounts.

The Visit Leader will make appropriate checks before committing the school to the contract. This will include seeking assurances about health and safety, and any accreditation and licensing. Wherever possible the school will seek to use holders of the Learning Outside the Classroom Quality Badge for which no Providers Contracts or other assurance checks are required.

Parental Consents

We obtain written parental consent in the Admissions pack for all level one and level two visits. For all other off-site visits and activities, the school will require written permission from parents/carers and a standard letter will be used for this purpose (Appendix III). As part of the parental consent they will be fully informed of the activities and arrangements for the visit. For all residential visits parents will be invited to a briefing meeting where they can ask for clarification of any aspect of the itinerary and organisation of the visit. Parents will also be required to complete a form for all residential visits

The Expectations of Students and Parents/Carers

The school has a clear code of conduct for school visits based on the school's Behaviour policy and Anti-Bullying policy. This code of conduct will be part of the condition of booking by parents/carers. Students, whose behaviour is such that the Visit Leader is concerned for their safety, or for that of others, can be withdrawn from the activity once a risk assessment has been carried out to show the risk is too high despite all precautions that may be taken. The school will ensure that it meets the requirements of the Equality Act 2010. If students misbehave on a residential visit, the Visit Leader will consider whether such students should be sent home early and parents will be expected to cover any costs of the journey home.

Emergency Procedures

The school will appoint a member of the Senior Management Team as the emergency contact for each visit. All major incidents should immediately be relayed to this person, especially those involving injury or that might attract media attention.

The Visit Leader will leave full details of all students and accompanying adults on the visit with the emergency contact, including the home contact details of parents and next-of-kin, as appropriate.

All incidents and accidents occurring on a visit will be reported back to the Headteacher and recorded following normal school procedures for reporting and investigating accidents. Any medication or first aid administered whilst on the trip must be recorded on the form **Medication and First Aid Treatment Administered Off Site** (appendix five) and returned to the office immediately on return.

All Visit Leaders must follow the Emergency Procedures Checklist (appendix 7)

Data Protection

All contact forms and any other documents containing personal information MUST be shredded immediately upon return to school, with the exception of documents pertaining to accidents/incidents that occurred whilst off-site. These records will be held on the relevant student file for the retention period as set out in the Data Protection Policy (until the year of the student's 25th birthday).

Review by the Local Authority

The school is supported in its arrangements for offsite visits by the County Council. Where necessary the school will seek advice from the Adviser for Outdoor Learning. All visits that involve an overnight stay, going abroad and any that involve adventurous activities will be notified to the LA prior to departure.

Charging Policy for Activities and Visits

The school will comply with the law in relation to charges that may be made for the cost of activities provided outside school hours, within school hours and for board and lodging on residential courses.

We may ask for voluntary contributions towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, we will make this clear to parents at the outset. We will also make it clear that there is no obligation for parents to make a contribution, and notify parents whether assistance is available. Students will not be treated any differently according to whether or not their parents have made a contribution.

No child will be excluded from an activity simply because their parents are unwilling or unable to pay. If a parent is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity. If insufficient voluntary contributions (90% of the total cost) are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled.

We will strive to ensure that parents do not feel pressurised into making voluntary contributions.

Residential visits

We will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of religious education.
- Supply teachers to cover for teachers accompanying students on visits.

We may charge for board and lodging – but the charge will not exceed the actual cost.

Parents in receipt of any of the following benefits may request assistance with the costs of activities:

- Income Support
- Income-based Jobseeker's Allowance
- Universal credit
- Working Families Credit
- Disabled person's tax credit.

Transport

The school will ensure that children are transported to and from off-site locations in accordance with All Saints Lessingham Transport and Vehicles Policy. The following modes of transport will be used:

Walking: Where appropriate, children will walk to off-site locations where the distance and weather are deemed acceptable. They will walk in pairs in 'crocodile' fashion. Visits may have to be cancelled if an active risk assessment results in unacceptable risks being taken, i.e. blocked roads/severe weather. Routes will be planned before the visits.

Minibus: The school has its own minibuses which will only be driven by staff holding the relevant license.

Coach/private hire: For larger groups and distances where it is deemed necessary, private hire vehicles will be used.

Own Cars/Volunteer cars: Staff and volunteers willing to drive their own vehicles must complete the Private Car Form (Appendix IV) to confirm they hold the relevant insurance and that their car is road worthy and insurance documentation to be seen by the School Secretary. In addition, the school will ensure that any adult driving children on their own hold a current DBS check. This policy only applies to transport arranged by the school. Where transport has been arranged privately by parents, the responsibility for ensuring the roadworthiness of cars and insurance level of drivers is not the responsibility of the school.

Insurance

Trips off-site are covered under the schools Public Liability Insurance.

Dear Parents and Carers,

RE: [] Residential Trip for years []

We are delighted to be able to inform you that we have a residential booking with [venue] for the [] term.

This is an exciting opportunity for our students. Listed below are just a few examples of the benefits of being able to take part across the three days.

- Personal and social development
- The ability to improve and develop their confidence, resilience and independence away from home
- The confidence to try new things, teamwork and to build self-esteem.
- Making lifelong memories – spending days and nights together creating enjoyment and life long memories that children will cherish all the way into adulthood.

The trip will take place from [dates]

Students will arrive at school, as normal on the [day] and we aim to arrive at [venue] for [time]

We will leave [venue] on [date and time] in order to return in plenty of time for the taxis, we would be grateful for your support if you're able to collect your child from [venue] on our last day, from [time]

Sleeping Arrangements:

We have recognised that staying away from home may be more challenging for some of our students. Therefore, we will be running our school minibus every day from school to [venue] arriving after breakfast, ready for the first session at 9:30am. We will then return to school for a 3:15pm pick-up.

Activities we will be taking part in:

All activities will be run by qualified instructors and supported by school staff throughout the day.

Catering: [the venue] will be able to cater for all providing food and drink throughout the day/evening. Special dietary requirements can be catered for and we will ask for this information nearer the time.

Clothing: Non-school uniform, good grip shoes and a coat for the evening/wet weather. Jeans/tracky bottoms, full length t-shirt, jumper and trainers are ideal. More details of 'what to pack' will follow shortly.

Please could I ask you all to fill in the reply slip attached, complete the medical and consent form, returning to the school by **[date]** so that we are able to make all necessary plans with the centre. An additional letter will follow shortly with all final details you will require for your child's time at the centre.

There is no payment required for this trip.

In the meantime, if you have any questions, please do not hesitate to get in touch.

Kind regards

Emergency Procedure Checklist

	Establish the nature and extent of the emergency.
	Make sure all other members of the group are accounted for and safe.
	If there are injuries, immediately establish their extent, as far as possible, and administer appropriate first aid.
	Establish the name(s) of the injured and call whichever emergency services are required.
	Advise other group staff of the incident and that the emergency procedures are in operation.
	Ensure that an adult from the group accompanies the casualties to hospital.
	Ensure that the remainder of the group are adequately supervised throughout and arrange for their early return to base.
	Arrange for one adult to remain at the incident site to liaise with emergency services until the incident is over and all young persons are accounted for.
	Control access to telephones until contact is made with the Head teacher, local point of contact, designated senior member of staff or Children's Services and until he or she has had time to contact those directly involved. Pupils with mobile phones should be instructed not to communicate with anyone outside the group until told to do so.
	Contact off-site base (outdoor centre, hotel, youth hostel, etc).
	Contact local point of contact, Head teacher or designated senior member of staff.
	Notify the British Embassy or Consulate if an emergency occurs abroad.
	Where serious injuries or fatalities occur, which would result in media involvement, the Visit Leader, the local point of contact, Head teacher or designated senior member of staff must ensure that the Critical Incident Team is contacted. Tel: 07623 912974
	Do not discuss or admit legal liability.
	Refer requests from the media to the designated individual and/or their representative. It is not for the Visit Leader or other group members to discuss matters with the media. Under no circumstances should the name of any casualty be divulged to the media.
	Ensure the incident is recorded accurately and promptly on CPOMs. If any member of the group has to attend hospital, the Accident/Incident book must also be completed and a copy saved in the student/staff file. NOTE: ALL incidents/accidents that occur off site must be recorded on CPOMs, not matter how 'minor'
	Write down all other relevant details of the incident while these are still fresh in the memory.
	Ask other supervisory staff to do the same. If practicable, take a photograph of the accident scene and any equipment, etc, involved.
	Keep any equipment involved in its original condition.
	Keep details of these emergency procedures to hand and ensure that you have the means to implement them.
	In cases where a notifiable accident or notifiable dangerous incident has occurred, the Headteacher or School Director will make sure that the Health and Safety Executive informed by telephone, within 24 hours of the incident occurring. (24-hour telephone line: 07710 105514)
