Message from Ms Dangerfield

My Mum says she knew I would be a teacher when I was two years old (I had the voice apparently) but it wasn't until I was 20 years old that I decided teaching would be my chosen career path. I have thoroughly enjoyed my career and have never wanted to do anything other than be involved in education, I make it no secret that being Headteacher at All Saints is the best job in the world!

We are currently exploring careers and getting our young people to think about their futures. For many the future is a scary prospect - How will I be independent? What job could I do? How will I manage? Talking to lots of you on parent's consultation evening on Wednesday I know you have similar concerns. Our message to your children is: let's not think about what you can't do or compare yourself to anyone else but concentrate on what you can do, everyone has the opportunity to be successful and we will help you find that success.

A huge thank you to Miss King for organising all of the visits and speakers in school and virtual and to the wider staff team for supporting.

It was lovely to see so many of you in school on Wednesday for our parent's consultation evening, lots of you haven't been into school for so long and haven't seen the many changes that we have made to the building and grounds. If you can join us at the Easter Fayre this Thursday, we would love to see you. All games and activities are free of charge; **the aim is to be have a fun afternoon all together.**

Easter Fayre

Thursday 23rd March 12.30-2.30pm**All stalls / activities are for free of charge**

12.30pm: Parents/Visitors arrival and sign in
12.30 – 1.00pm: Picnic lunch with children (inside or outside, weather permitting).
Please bring your own picnic.

1.00 – 2.30pm: Activities
2.45pm: Back to classrooms

Children may leave at 2.45/3.00 if parents/carers are here—please ensure your child's taxi is aware.

Thank you to everyone has donated tombola / raffle prizes so far, if you have anything you are able to donate please send into the office by Wednesday morning.

Please do not hesitate to contact the school if you need further help and guidance.

Ms Jo Paffett (Deputy Head and SENDCO)

Careers Month kicked off with a visit to the Norfolk Skills and Careers event

Premier Flight Training

Thanks so much for coming in today, I am so sorry we ran out of time but hopefully we covered enough ground for the students to enjoy.

It was a pleasure to have such a well behaved group of children will lots of great questions being asked!

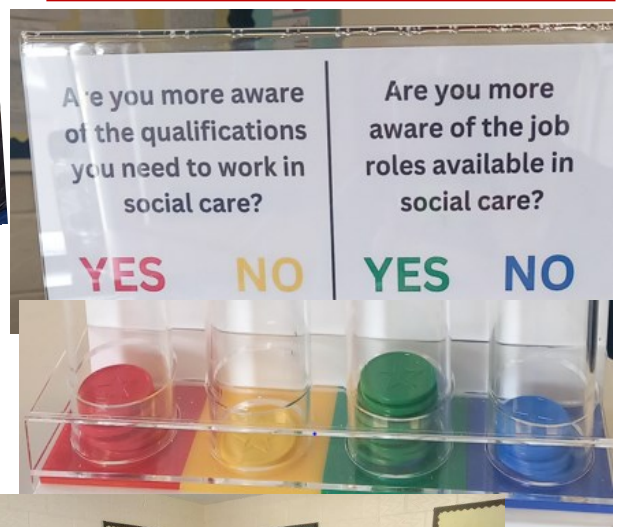

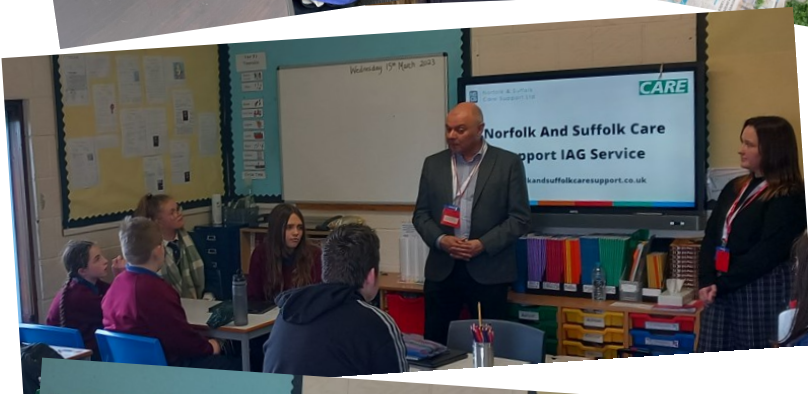

Huge thanks to Westover vets.

Don't worry, the dog in theatre was a life-size teddy, we managed to get the sock out that she ate!

Care sector focus

Thank you to Jasmine & Phil

ASDAN

Our year 11's are coming to the end of their ASDAN Personal and Social Development course by presenting their fabulous projects to students and staff. They have worked hard to complete three challenges and a project over years 10 and 11 and are deservedly proud of their progress and achievements.

Other exciting news is that some students have been invited to meet with the ASDAN Regional Support and Relationship Manager to share their opinions and experiences on completing this new course.

Art GCSE clay pots

The GCSE students have their finished clay pots back and on display- they look fantastic! They chose foliage and impressed into the clay using a slab roller, shaped this on the mould and finished with feet attached to the base. It was a great experience, with amazing outcomes.

GCSE student V has completed her sea serpent, which she has tirelessly worked on from start to finish over the past few weeks. It has received so many compliments from staff and students around school. She should be very proud!

The year 9 class used air drying clay to make Cubist portraits inspired by Picasso.

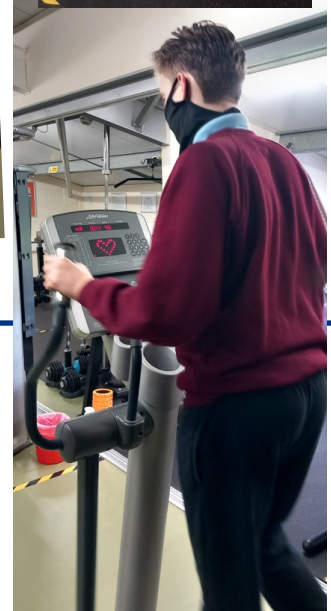

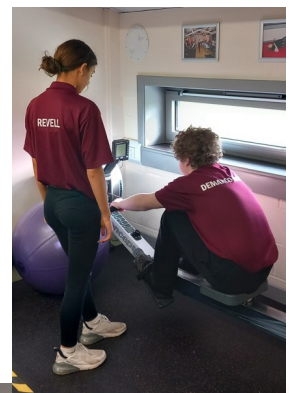

PE

Year 8 and Year 9 students enjoyed the first of their lessons on Table Tennis in their Core PE lessons.

Our PE curriculum is designed to provide students with the opportunity to experience sports facilities in our local community & surrounding area. This term they have engaged in table tennis lessons at Broadland Sports Centre and health & fitness lessons at Stalham Community Gym.

Rob of Rap School World Book Day

For World Book Day

You came to our school

You taught us how to rap

And that language is cool!

We learnt how to rhyme

How to beat with the time

Found our voices were loud

Made our teachers so proud!

Thank you to Rob of Rap School fame

We loved meeting you

So please come again!
