Blooming Rhododendrons

Army Signals and Engineering Team

Yr 8 and 9 trip to UEA

Yr 7 trip to Norwich Castle

Message from Ms Dangerfield

As we approach the last half term of this academic year (where has this year gone – it has flown by) we look forward to some warmer weather and the opportunity to take our learning outdoors.

We have a number of school visits and trips planned which support our curriculum, I am very grateful to my staff team who take the time to create so many wonderful opportunities for our students.

We are also looking forward to our junior sports day being held at Bure Valley School on Thursday at 8th June and our senior sports day on 24th June at the University of East Anglia. Look out for more information on all of these events as we send it to you and please remember our website <https://www.allsaintslessingham.co.uk> has lots of information, including copies of all of the letters that we have sent out. If you want to see some of what we get up to in school, our twitter feed @ASLessingham is the place to look.

I hope you enjoy the half term week; we look forward to seeing everyone being back in school on Monday 6th June.

Blooming Rhododendrons

The Rhododendron trees we planted for the King's Coronation are now in full bloom, demonstrating that nurturing does pay off.

The trees are also loved by the local bee population .

Year 8 and 9 trip to UEA

Year 8 and 9 had a brilliant Athletics trip to UEA in the lead up to Sports Day for the upper school.

Year 7 trip to Norwich Castle

Year 7 enjoyed their trip to Norwich Museum where they were able to handle replicas of medieval objects. They also went for a walk around Norwich to see areas such as Fye Bridge, Cow Tower, the River Wensum and Dragon Hall; all of which were of great importance during medieval times.
