Yr 11 Work Experience

Juniors' Sports Day

Message from Ms Dangerfield

In this newsletter I would like to do some thank you's and end with a plea.

I start with thanking our wonderful Year 11's who have completed their exams and assessments to the very best of their ability. Each and every one of them should be very proud of themselves for their commitment to their studies and the positive outlook they had throughout the exam period. We look forward to having some well-deserved fun in their activity week next week, culminating in the leavers meal at a local restaurant. We wish them well with their work experience and their journey to their post 16 providers. Once a member of the All Saints family always a member of the All Saints family and we will continue to support them and their families the best we can September and beyond.

My second thank you goes to the parents and carers who have taken the time to fill in the Ofsted survey and our school survey, I have been genuinely touched by your comments. I look forward to sharing the Ofsted report when I am able to do so. The school survey is live for a few more days should you wish to add your thoughts – I personally read every one and will endeavor to include all of your ideas into next year's plans. The link is here:

<https://forms.gle/89SRRsBNByVfMPNH7>

My final thank you goes to every member of staff, each and every one of them works tirelessly to support our young people in all areas of their lives. The school this week has been no different to last week when Ofsted were in and this demonstrates our commitment to provide the very best education for each and every one of our amazing young people.

Now for my plea!

Nominations are open for the first ever Flourish Awards, celebrating the people, projects and teams

that are helping children and young people flourish in Norfolk. It would be great if the school was recognised for its' great work by being nominated for an award.

The first ever Flourish Awards will take place on 25th September, hosted by Norwich City Football Club at Carrow Road. This is a celebration of the people and organisations who have helped children and young people flourish this year and winners will be presented with a Flourish plaque and certificate on the night.

This is a call out to our families to nominate All Saints School and its' staff for supporting our students to flourish this year.

Please get nominating and encourage others to do so by visiting: <https://www.norfolk.gov.uk/what-we-do-and-how-we-work/policy-performance-and-partnerships/partnerships/children-and-young-people-partnerships/children-and-young-people-strategic-alliance/flourish-awards>

Nominations are open until 31 July 2023.

Staff changes...

At the end of this term will say goodbye to Mrs Sheila Paterson and Mrs Yaz Abigail who between them spent over 20 years at the School. We will miss them dearly.

In September, we welcome Mrs Rachel Jones as English Teacher we also welcome new teachers for next year's groups; Ms Lucy Wade will be supporting across the juniors and Ms Luella Cossey will take charge of our additional year 7 class. Both have completed their teacher training with us over the last year so are already well known to our students.

On 10th July, all children will move into their new class; they will know where they are going to sit and where their bits and pieces will go in the room. Monday, Tuesday and Wednesday will be spent with their new class and hopefully then by the time they leave for the summer holiday they will feel settled and ready to return in September.

Immunisation feedback from this week...

Thank you so much for hosting the Immunisation Team at your school today.

We vaccinated 17 young people with the HPV vaccination and we also gave 1 DPT and 2 Men ACWY vaccinations. Thank you for the refreshments.

The consent portal is now open again so if any parents would like to sign their children up for the next time we visit your school they can do this using the link you sent out originally.

We look forward to seeing you again soon.

Kind Regards

Staff Nurse Immunisation Team (Norfolk)

Congratulations to...

Alex in year 8 who said...

"My biggest achievement so far this year was to pass the Motor Sport UK driver entrant license. I had to pass a test and drive my fastest lap in my own go kart at the Whilton-Mill Track. This license allows me to race on professional tracks".

Jenson in year 11 who recently passed his driving theory test..

Visitors to school

KS4 students today recently welcomed several visitors into school...

Andrew Nattrass (Young Driver Education Coordinator) delivered E-Scooters and the Law presentations to both year groups, followed by the 'FATAL 4' Young Driver Presentation for year 11.

Traffic Sergeant Barney and Gillian (from Norse) – delivered a lorry blind spot event where we have been able to learn additional safety on the roads, around lorries, as a driver or pedestrian.

E X P E R I E N C E

Year 11 work experience - Over the next few weeks we will all look forward to hearing about your time on work experience, taking part is a great opportunity to learn about a job or an area of work. You'll use skills that you might not even know you have, and develop new skills that will help you work better with other people now and in the future.

Already I am hearing wonderful things back from employers, for those students who have started early, well done to Nikita for the hard work and commitment you've already shown at Nicholson's in Stalham.

We would like to thank all of the following work placements for giving our students the chance to experience a working week with you:

First  **Bus**

TESCO
Every little helps

HETHERETT
Woodside Primary and Nursery School

Juniors' Sports Day

What a fantastic junior sports' day at Bure Valley School. All students participated in a range of athletic events and traditional sports day activities.

Lots of happy memories made and some lovely feedback from our parents and carer spectators.

Junk Art Modelling

Year 8 enjoyed working in groups to create junk model cities as part of their Urban and Street Art project.

Juniors

Our youngest students have been very busy over the past couple of weeks with activity days at Hunstanton Sea Life Centre and Hickling Farm
