A reward system must be of value to the students, parents and staff. It is a system which provides a vehicle to measure and monitor progress and success via a broad range of opportunities. It has a hierarchical structure to allow for progression and challenge. The rewards system is designed to reflect all aspects of school life. The school will use all available means to publish and promote achievement by all members of the school.

#### **Aims**

- To be inclusive for all
- To recognise and celebrate a student's work, commitment and high levels of achievement
- To promote the positive recognition of success amongst all members of the school community through public celebration and contact with parents and carers
- To celebrate progress made by the student
- To encourage progress in all aspects of school life
- To reward students frequently for a variety of achievements

#### **All staff should be actively engaged in carrying out this policy.**

Rewards will involve all or some of the following:

- Teacher response to all positive work and contributions in the classroom from students, often praise and encouragement.
- The display of student work from the class and homework, making full use of classroom boards, landing and corridor displays. Whenever displayed, work may include a comment and grade.
- When appropriate, and if time allows, positive statements should be recorded in the planner.
- Marked work should include praise and advice on how to improve work.
- House points should be recorded in the homework planner diary by the teacher. It is the responsibility of the student to look after the planner.
- When a student is awarded departmental level praise, a postcard will be sent home.
- Pastoral recognition will be awarded by staff for additional achievements and contributions to school and community.
- House points will be included in the House Competition.
- The maintenance of high achievement and excellent effort will also be acknowledged weekly in assemblies and at the end of year service. It is here the trophies will be handed out.
- Headteacher's certificates will be awarded for exceptional behaviours and achievements.

There are 8 types of rewards that students could receive:

**1. Teacher House Point (coloured token)** – May be awarded for: making consistently good progress or meeting target grade in (significant) assessments, exceptional in lesson effort or exceptional effort with homework.

**2. Postcard** – May be awarded for: consistent, outstanding or exceptional attitude in lessons. Exceeding target grade of significant assessments. Rapid and sustained progress towards target grades.

**3. Head Teachers certificates** – May be awarded for: exceptional behaviours that act as a role model to others, consistent and exceptional effort or achievement over a significant period of time or other actions at the discretion of the Headteacher.

**4. Rewards Trips** – May be awarded for: exceptional behaviours that act as a role model to others, consistent and exceptional effort or achievement over a significant period of time. The limited places on these trips will be assigned by an SLT.

**5. Prefects and leadership roles** - On a yearly bases the Headteacher and SLT will appoint students to these roles who represent the values of All Saints school.

**6. Individual rewards on behaviour management plans**

**7. Behaviour for Learning (BFL).** Every lesson the BFL is recorded on Pupil Asset. The student with the highest total each ½ term will receive a special prize.

The House system will continue to give students the opportunity to be rewarded for whole school and community involvement. House assemblies will be at the end of each half term and are where prizes are given. The budget will be set by the SLT.

At All Saints School we believe in the principle of ‘catching them being good’. Some students struggle to behave consistently well for a whole lesson, it is therefore vital to find something positive to say about a student and acknowledge their good actions whenever we can.

It is expected that a student can receive an award at some point during the lesson and still achieve a low behaviour score as recorded on Pupil Asset. This policy will enable the SLT to ensure all students are receiving praise and encouragement or intervene if not. It will also give the opportunity to monitor that all staff are offering meaningful and regular praise for all our students.

All our students are worthy of praise, encouragements and acknowledgement; it is up to us to make this happen.

Positive behaviour example	Reward	Proposed approx. frequency	Outcome
Positive on task behaviour or contribution to lesson.	Verbal Praise given	Very regular, most students at least once per lesson	Positivity about continued educational and social success.
Making consistently good progress or meeting target grade in (significant) assessments, <b>exceptional</b> in lesson effort or effort with homework.	Teacher House Points  Choice of reward from prize selection	Most students should have the opportunity to gather 1 or 2 teacher house points every lesson.  Students may be given the option to choose a small token as a reward (eg. Highlighter pens, notebook)	Single reward token and recorded in planner
<b>Consistent</b> , outstanding or exceptional attitude in lessons. <b>Exceeding</b> target grade of significant assessments. <b>Rapid</b> and <b>sustained</b> progress towards target grades.
