

Parent and Carer Survey Comments

NB: Any comments in bold represents more than one parent/carer.

Parent / Carer comment from the annual survey	School's response
Encouraging healthy eating habits	Covered in the PSHEE and personal development curriculum
Development of understanding social and political issues	Covered in the PSHEE and personal development curriculum
Development of confidence and self-advocacy	Covered in the PSHEE and personal development curriculum
More social skills (shopping for items and talking to staff)	Covered in the independent living curriculum
Addressing healthy relationships with girlfriends/boyfriends and how controlling behaviour is not acceptable	Covered in the PSHEE and personal development curriculum
Communicate what the children are going to be learning each term.	Information is on the website https://www.allsaintslessingham.co.uk/learning/curriculum-overviews/ Starting from September we will send a class newsletter explaining what is coming up in each subject.
An overview of trips and visits coming up.	Parent calendar attached to this newsletter Information is on the website and in the newsletters https://www.allsaintslessingham.co.uk/news-and-events/
Extracurricular activities/clubs?	Lunch time clubs are very popular. After school clubs are not possible with taxi pickups. It wouldn't be fair to offer something that most students couldn't attend.
Consider reintroducing DofE	We will look to see if we can join with another school – we do not have sufficient numbers to complete as a school.
Learn about water safety eg riptides	Covered in the PSHEE and personal development curriculum
Hot meals in school	The school's kitchen is not licenced for hot meals. We do not have the space to extend these facilities. We have looked at buying in hot meals.
More information on how we can support at home	From September each class will send home a curriculum newsletter with ideas on how to support at home.
Maybe a few more events including the parents	Our lower junior parent cafes have been very successful we are therefore going to extend these to include lower junior, upper junior, year 7 and year 8. Parents and carers will be invited into school to share an activity with their child in class. We will hold parent and carer information meetings for Years 9/10/11. See calendar which is attached to this newsletter for details
More communication on what my child has been up to during the day with their learning.	From September each class teacher (Lower and Upper Juniors. Year 7/ 8/ 9) will contact each parent / carer once every half term.
Ensure student leadership roles are key throughout the year	Additional key events run by the student leadership team have been added to the calendar – attached to this newsletter.
