

Lower Juniors Science Y2

Upper Juniors Science

Autumn 1

Living Things and their Habitats
Plants (LKS2 Recap)

Autumn 2

Spring 1

Light
Electricity

Spring 2

Summer 1

Earth and Space
Forces and Magnets

Rocks

Evolution and Inheritance
Sound (LKS2 recap)

Summer 2

Year
7

Animals Including Humans
Properties and changes of materials

Year 7 Science

Autumn 1

Cells, Reproduction and Variation

Autumn 2

Spring 1

Particles, Models and Solutions

Energy Changes

Spring 2

Summer 1

Environment, Ecology and Classification

Acids, Alkalis and Chemical changes

Year 8

Forces and their effects

Summer 2

Year 8 Science

Autumn 1

Atoms, Elements and Compounds
Acids, Alkalis and Chemical changes

Autumn 2

Spring 1

Health, Fitness & Disease

Energy Changes

Spring 2

Summer 1

Inheritance and Selection

Earth Science

Summer 2

Year 9

Waves, Light & Sound

Year 9 Science

Autumn 1

Atoms , Elements and Compounds
Acids, Alkalis and Chemical Reactions

Autumn 2

Spring 1

Physical Properties of Matter

Inheritance and Selection

Spring 2

Summer 1

Materials and their Reactions

Chemical Energetics and Resources

GCSE

Forces at Work

Summer 2

Year 10 Science

Autumn 1

Electricity, Circuits & Domestic

Health & Disease

Autumn 2

Spring 1

Structures & Bonding

Molecules & Matter

Respiration

Spring 2

Mocks 1

Chemical Changes

Electrolysis

Summer 1

Radioactivity

Energy Changes

Summer 2

Mocks 2

Human Nervous System

Hormonal Coordination

Year 11

Forces In Balance

Forces & Motion

Year 11 Science

Autumn 1

Forces In Balance
Forces & Motion
Chemical Calculations & Reactions

Autumn 2

Spring 1

Reproduction
Variation, Genetics & Evolution
Wave Properties

Spring 2

Summer 1

Mocks 1
EM Spectrum and Electromagnetism
Adaptations & Competition

Summer 2

Crude Oil
Chemical Analysis
Earth's Atmosphere

Mock 2
Biodiversity & Ecosystems
The Earth's Resources

Final Exams
