Monday 6th November 2023

Dear Parents and Carers

Yr 9 visit to Bacton Beach Friday 24th November 2023

As a part of our Geography Curriculum, we would like to take Year 9 to Bacton to have a look at coastal erosion and sea defences. The trip is planned for Friday 24th November, leaving school at 1pm and return by 3pm in time for the taxis home. We will travel by minibus and car.

Important information for the session:

School uniform and suitable walking shoes must be worn. The trip will go ahead regardless of the weather, so please ensure your young person brings a coat. They will need to bring a packed lunch and a water bottle, ideally in a rucksack.

If the weather is terrible we will reschedule, but are very much looking forward to doing some practical field work and being Geographers for the afternoon.

We will take enough members of staff to support the different needs of the group and if there is time and the weather is favourable, we will visit the park after our investigations,

In line with the school policy, mobile phones and other electronic devices are not permitted on trips.

If you have any questions, please do get in touch - sjones@allsaintslessingham.co.uk

Kind regards,

Miss Jones

Deputy Headteacher - Curriculum Manager
