

Environmental Action Plan

Date Range of this Plan: September 2023 to September 2025

Aim(s) What do we aim to achieve? Why?	Actions How are we going to achieve our aims? What actions will we do?	Who?	Measuring:	Evaluation/Development: What did we learn from our monitoring? How far did our actions go towards achieving our aims? Could we have done anything differently?
Waste and recycling	There will be clearly labelled bins located throughout the school for recycling and general waste. Bins will be emptied into the correct county waste bin	School Council Headteacher Caretaker / cleaners	HT report (every half term) will include details on progress School council to present to the AB twice a year	
School grounds	When new buildings or refurbishments are being planned, we will always consider any environmental impacts and the Directors will consult an expert.	Directors	HT report (every half term) will include an environmental section to update advisors	

Aim(s) What do we aim to achieve? Why?	Actions How are we going to achieve our aims? What actions will we do?	Who?	Measuring:	Evaluation/Development: What did we learn from our monitoring? How far did our actions go towards achieving our aims? Could we have done anything differently?
Waste and recycling	Turning off energy draining appliances, for example, computers, projectors and interactive white boards, when they're not in use.	ICT manager Digital leaders Headteacher	HT report (every half term) will report on progress	
Healthy living	<p>We will promote an ethos of environmental understanding. Students will be taught to understand that their actions have a direct impact upon the environment.</p> <p>We will discourage environmental indifference and promote the importance of understanding the impact that each individual has on the environment.</p> <p>We will encourage staff and students to adopt healthy lifestyles, as healthy lifestyles often lead to a sustainable lifestyle, for example, walking instead of driving.</p>	Curriculum Manager Wellbeing mentor School support manager	PSHEE review – yearly	
Curriculum	We aim to provide students with knowledge, skills and understanding in biodiversity and sustainability, by embedding the topics within many areas of our curriculum	Curriculum Manager	Science PSHEE review yearly
