

English

The Orchard Book of Greek Myths by G McCaughrean Greek Myths by M Williams

Myths and legends from Ancient Greece – writing own version

SPAG

dialogue punctuation and use conjunctions.

Science

Light

- we need light in order to see things and that dark is the absence of light
- light is reflected from surfaces light from the sun can be dangerous
- shadows are formed when the light from a light source is blocked by an opaque object

Reading

Who let the Gods out? by Maz Evans

Maths

Statistics, Measure, Time

RE

Why are festivals important to religious communities?

Music

In music this term we will continue to explore music from around the world, including caribbean and gamelan music.

Art

In art this half term, Lower Juniors will be exploring 'Landscape Art' through exploring different environments and cultures. Students will start by exploring depictions of nature in Aboriginal Australian art through carvings and dot painting. They will also explore collage, mixed media, tone and colour.

Drama

Drama Skills and group improvisations

Computer Science

In their computing lessons, students will develop their knowledge and understanding of using a computer to produce 3D models. They will familiarise themselves with working in a 3D space, moving, resizing, and duplicating objects. They will then create hollow objects using placeholders and combine multiple objects to create a model. Finally, they will examine the benefits of grouping and ungrouping 3D objects, then go on to plan, develop, and evaluate their own 3D model of a building.

PSHE

Mental Health and Emotional Wellbeing

PE

Teamwork activities and striking and fielding games.
