MESSAGE FROM THE HEADTEACHER

We have had an amazing two weeks in school and as a school family we have experienced a range of emotions. During the Year 11 leavers assembly we had tears of *happiness* as we looked at photographs and videos of moments from the past and tears of *sadness* as we waved them all goodbye from school for the last time. We experienced *Elation*, as the ASDAN group won GOLD at the Norfolk Show in the small garden category. *Joy, happiness* and *enjoyment* at the Summer Fayre along with maybe a little *disappointment* if we didn't win a prize at the raffle or tombola. For some there was *fear* on the climbing wall, *pride* seeing art work displayed or *frustration* if we didn't score a goal or get the basketball through the hoop. We are all *tired* as we approach the end of term and for some there is *excitement*, but for most *anxiety* about the changes in class teachers as we move classrooms ready for next week's transition week.

As a school we use the Zones of Regulation to help us learn about different emotions and to understand how our emotions affect us and impact on others. Our Wellbeing Mentor, OT and Counsellor all provide additional support with emotional literacy and together we take the time to discuss emotions and provide strategies to manage emotions. In the new academic year, we will be refreshing our use of the Zones of Regulation approach and providing additional time to explain to students the All Saints expectations. We will be providing you with more information of this from September.

I want to thank each and every one of you for your support – your positive comments and thanks, these help myself and every member of the staff team give 100% day in day out to ensure your young person gets the very best opportunities at All Saints School.

I look forward to finishing the academic year together at Ingham Church at 1:30pm on Friday 12th July – where I can guarantee we will experience even more emotions!

Enjoy the summer break and we look forward to working with you again in September.

End of year Church Service

- The service is at Ingham Church and there is parking next door to the church
- The service will start at 1.30pm so please arrive for 1.15pm
- Following the service, all students must return to school
- Parents and Carers are welcome to collect students from school after they have collected their belongings
- There will be no PE/swimming on this day so all students in uniform please

Staff changes

This term we are saying goodbye to Mr P Morton and Mrs Holden-Standley.

In September we are welcoming Mrs Lamb who will teach History and Geography and Mr Booker who joins our team as a Teaching Assistant.

Summer bookings ...

A reminder for The Big Holiday Norfolk – All SEND students are eligible for free sessions; if you would like school to process an application for you, please let Miss King know by **5pm Wed 10th July**

If an application was processed for you at Easter, this has automatically been rolled over and your child has 16 free sessions to use.

Places do get booked up quickly so best to take advantage asap.

Norfolk County FA Disability Festival

We are excited to announce we have rearranged our festival

- ◆ **Date-** 10th August
- ◆ **Time-** 10am-2pm (meet 9-9:30am- kick off 10am)
- ◆ **Location-** The FDC, Clover Hill Road, Bowthorpe, NR5 9ED

Please follow the link below to the sign up form:

Reward trip

Reading Reward and/or House Point Reward students paid a visit Latham's of Potter Heigham to spend their reward money.

Maths Group D

have been measuring angles accurately in geometry

Lower and Upper Juniors enjoyed an art lesson in the sunshine creating a natural sculpture inspired by artist Andy Goldsworthy.

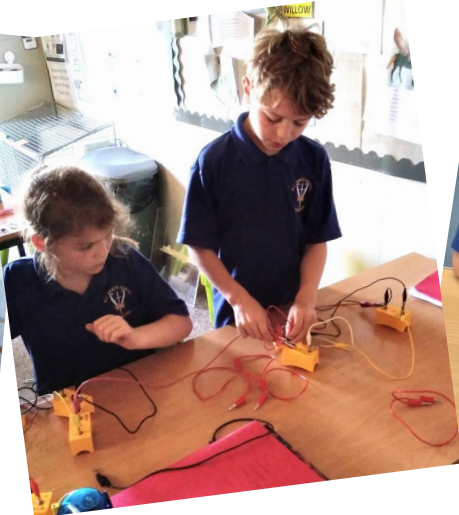

In lessons, they have been exploring landscape artwork and how art can help spread an important message about protecting our environment.

Students had to use teamwork, communication, turn-taking and curating skills in order to create a spiral using shells and stones.

Juniors

Lower Juniors Science and Geography lessons

Upper Juniors enjoyed their trip to Sheringham where they visited the lifeboat station and learnt all about the RNLI.

We also visited the fisherman's lifeboat museum and learnt about the perils of the sea in times gone by.

7B

Learning to play the drums and re-enacting key scenes from A Midsummer Night's Dream

GCSE PE

An excellent example of "sticky" learning in GCSE PE with Year 10's using jelly babies to understand different types of movement in sport. The best bit of course was getting to eat them at the end.

Year 10 Asdan

Well done to the year 10 ASDAN group. They gained the gold award for their fantastic wheelbarrow at the Royal Norfolk Show and got to explore the rest of the show afterwards. The wheelbarrow is back in school and displayed in front of reception.

Yr 11 Leavers

Please visit the website for more images:

Results Day

Thursday 22 August 2024

9:30-11:30am Please let Miss King know if you're unable to collect so that alternative arrangements can be made.

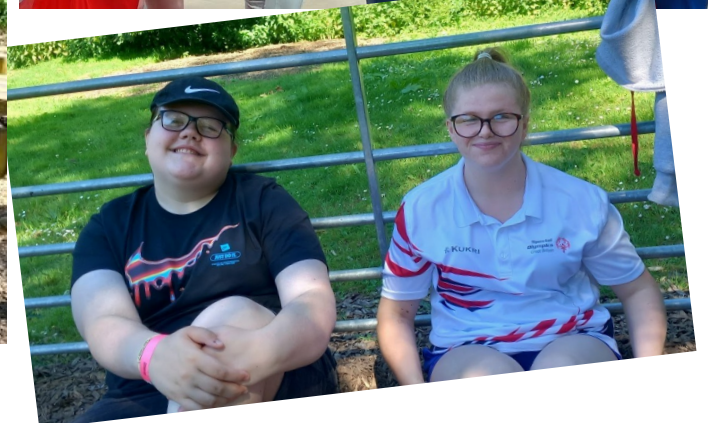

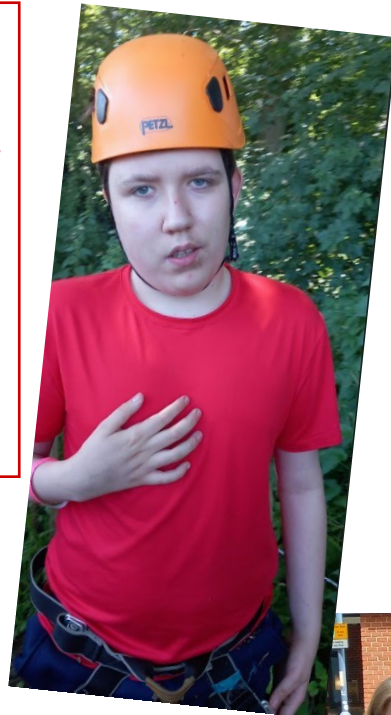

*Post16 college placements – do remember to keep school updated with letters/emails you receive so that we can also keep track of what is happening.

Work Experience

Huge well done to Paige, Grace, Leland, Taylor, Jess, Harry, Violet, Joel, Hollie, Rosie for completing their work experience this week.

We would like to thank the following venues for making this possible:

*Faith Animal Rescue The Owl Sanctuary, Fritton
Nelson Infant School Happisburgh Primary
Ormesby Pre-School Kings Arms, Fleggburgh
Nicholsons Stalham Engineering
Norfolk Environment Action Team
Tesco Stalham*

Summer Fayre
