Dear Parents and Carers

After the Easter break we will be delivering Relationships and Sex Education to all students during PSHE lessons.

Topics for different year groups will include:

- Understanding our bodies
- Consent
- Contraception and Parenthood
- Risks related to unprotected sex
- Healthy relationships
- Consequences of unintended pregnancy

We will be following the National Curriculum, using resources provided by Norfolk County Council which are adapted for our students. All lessons will be planned and delivered with sensitivity.

Here is the link [Survey](#) to a parent and carer survey, the results of which will help us to review what is being delivered and take on board any concerns or worries that you might have

If you require any further information please see the school policy on the website: [RSE Policy](#) or the curriculum content for each year group [RHSE Curriculum](#)
