ePlatform - eBooks and Audio Books

Students in KS3 and KS4 now have access to the ePlatform Digital Library.

Initially the students can access this through a link on Google Classroom, however, in the future this may be added as an app to their Chromebooks/laptops.

Books are borrowed for 2 weeks and then can renewed, there are 1 or 2 copies of the book available at any time.

The ePlatform will bring up links to similar books to help the reader widen the range of fiction that they are reading.

They will have the option to read or listen to a sample of the book to see if they like it.

When the first book is borrowed the settings wizard allows the students to alter;

Background colour

Font style

Font size

Spacing

This is then saved for future books.

There is a night light reading feature, which reduces the blue light effect.

You are also able to **highlight words** and get the **definition, the pronunciation and synonyms**.

Text can also be **coloured** to show **verbs, adverb, nouns, pronouns** etc.

For those with **EAL** the **text can be translated to and from English, short extracts and words can also be translated**.

Books can be downloaded and read offline.

If students are studying a book they are able to make notes in the books, these are accessible to the user only and can be downloaded and kept if required.

Please let me know if you have any questions.

Kind regards,

Ali Fuller
