Monday 23rd February 2026

Dear Parents and Carers,

World Book Day celebrations 2026

On Monday 9th March we will be welcoming Alice Harman to All Saints.

Alice is an author of non-fiction books, she has had over 50 books published, her latest book 'Your Wild and Wonderful Brain' is due for release later this year.

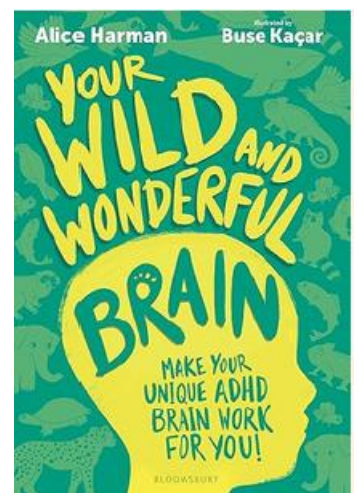

Alice will be running workshops throughout the day, and all students will have the opportunity take part. The school will be purchasing some of Alice's books for the library, however, if your young person wishes to purchase their own copy, they can do this and Alice is happy to sign these when she is in school, she will also provide a signed book plate for any books that have been pre-ordered.

If there are any queries regarding the visit, please contact me via the school office.

Yours sincerely

Mrs Fuller

HLTA & Literacy Assistant

Alice Harman

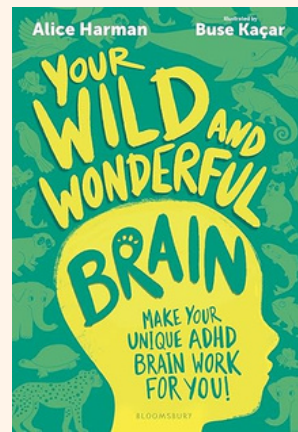

I'm a children's author (of 50+ books!) and I'm so excited to be visiting your child's school on **Monday 9th March**.

I'll be leading an assembly and workshops, helping students learn about how a book is made – and start writing one of their own!

Find out more about me and my books at aliceharman.com

If you order any of my books ahead of my visit (through these links or anywhere else), I'll be more than happy to **sign** and **personalise** them for your child/ children on the day.

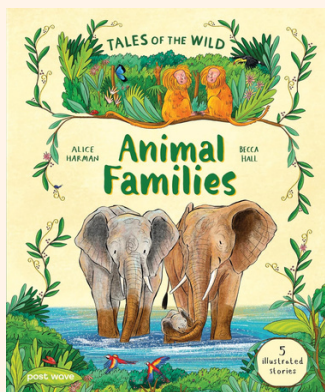

Or pre-order a book that isn't out yet, and I'll sign and personalise a special **bookplate** to stick in when it arrives!

Your Wild and Wonderful Brain

A fun, animal-themed guide to help children with ADHD (which I also have!) to work with their brilliant brain rather than fighting against it.

Pre-order

Animal Families

A beautifully illustrated graphic novel made up of five warm, hopeful stories based on real facts about how wild animals live.

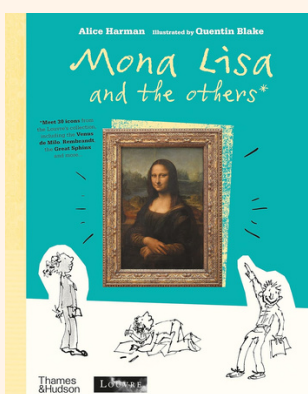

Pre-order

Farting Fish

A light-hearted look at some of the world's oddest scientific research, from invisible gorillas to fish who communicate in farts!
