Yr 9 Sea Palling trip

Thursday 11th June 2026

Dear Parents and Carers

As part of our Geography curriculum, we are excited to take Year 9 on a fieldwork trip to **Sea Palling on Thursday 11th June 2026**.

This trip is a fantastic opportunity for students to step outside the classroom and act as real geographers for the afternoon. They will investigate local geographical issues and see real-world examples of the coastal sea defences we have studied. Experiencing contrasting locations and collecting hands-on data is a vital part of their geography education.

Key Details for the Day:

- **Departure:** 1pm from school (traveling via school car after lunch)
- **Return:** Approx 2.30pm back to school
- **Clothing:** Normal school uniform, but with **comfortable walking shoes**.
- **Weather Prep:** Please ensure your child brings a raincoat. We also highly recommend sun cream and a hat if the weather is warm.

Please Note: In the event of severe weather, the trip will be rescheduled.

The group will be fully supervised by an appropriate number of staff members to support all students' needs. We are very much looking forward to a productive afternoon of practical fieldwork!

If you have any questions, please do get in touch - slamb@allsaintslessingham.co.uk

Kind regards,
Mrs Lamb
